

# Jorge Garcia with Richie Cole

## Dedicated To You

**RELEASE DATE:** February 22, 2022  
**ARTIST:** Jorge Garcia  
**TITLE:** Dedicated To You

Although his name is not known to jazz fans nationwide, Cuban-born guitarist **JORGE GARCIA** has worked with many esteemed musicians, including Tony Bennett, Cécile McLorin Salvant, Chuck Redd, Jon Faddis, and Ignacio Berroa. Garcia's new self-released album, **DEDICATED TO YOU**, celebrates his collaborations with two other jazz icons, **RICHIE COLE** and **HENDRIK MEURKENS**, along with some of his favorite local musicians from South Florida.

Garcia's association with the late alto saxophonist Richie Cole dates back to the late 1990s, when Cole was living in Key Largo, FL, and in the process of forming a new edition of his Alto Madness Orchestra. Garcia was not only a member of the band, he remembers performing with bassist **RICK DOLL** and drummer **JAMES COTMON** on Cole's big band gigs.

Richie Cole played clubs and concerts in the Miami area on several occasions, and whenever he was asked to assemble a band, Garcia would be Cole's first-call guitarist. In 2009, Cole was back in Southern Florida, and Garcia offered to pay for the studio rental if Cole would be willing to record. Cole readily agreed, and the band's rhythm section of Garcia, Doll and Cotmon were reunited for the date.

While the tracks on **DEDICATED TO YOU** seem retrospective in nature, Garcia continues to perform regularly, and we should expect to hear more fine music from Jorge Garcia and his very talented friends.
