Recorded: June 25th, 2024

BG's Juke Joint, Long Island City, Queens NYC

Recorded & Mixed by: Colin Manacs

Images/Video: Ross Mayfield

Design Production: Alex Moulton

Unseen Productions

In the summer of 2024 I had the opportunity to record with the great David Hazeltine, John Weber, and the legendary NEA Jazz Master Louis Hayes. After an all day session on June 25th, we recorded ten sections of original and standard compositions. I'm very grateful for this opportunity to record with these amazing musicians. Thank you very much for listening and I hope you enjoy it. – Todd Herbert
